Dedication

Sometimes our thoughts reflect upon the way we were. Though it has been twelve short years since we began this long hard climb, we have only reached one ray of light. We take time out to stop and remember our school years. That was a time of laughter, disappointment, happiness, and success.

We are grateful to those who have guided us along the way. We must not forget the various clubs that have enriched our school years by creating interest, fulfilling needs, and providing finances. To our parents, teachers, and fellow students, we express our thankful appreciation. Without your reaching out to help us find our paths, we very well may never have succeeded. The paths we found will not end, for though one ray of light is conquered we will move forward until we see the sunset.

Now we take one more step - toward our future. This is the most important one of our lives. We remember the way we were. We are thankful for the way we are. We wonder what we will be tomorrow . . .

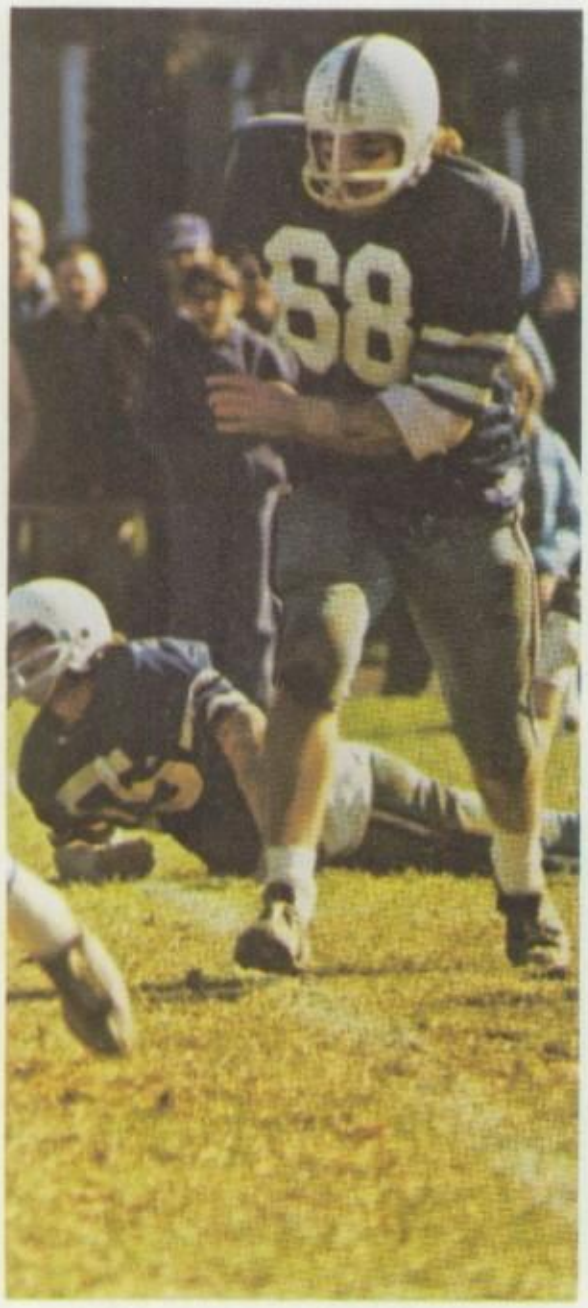
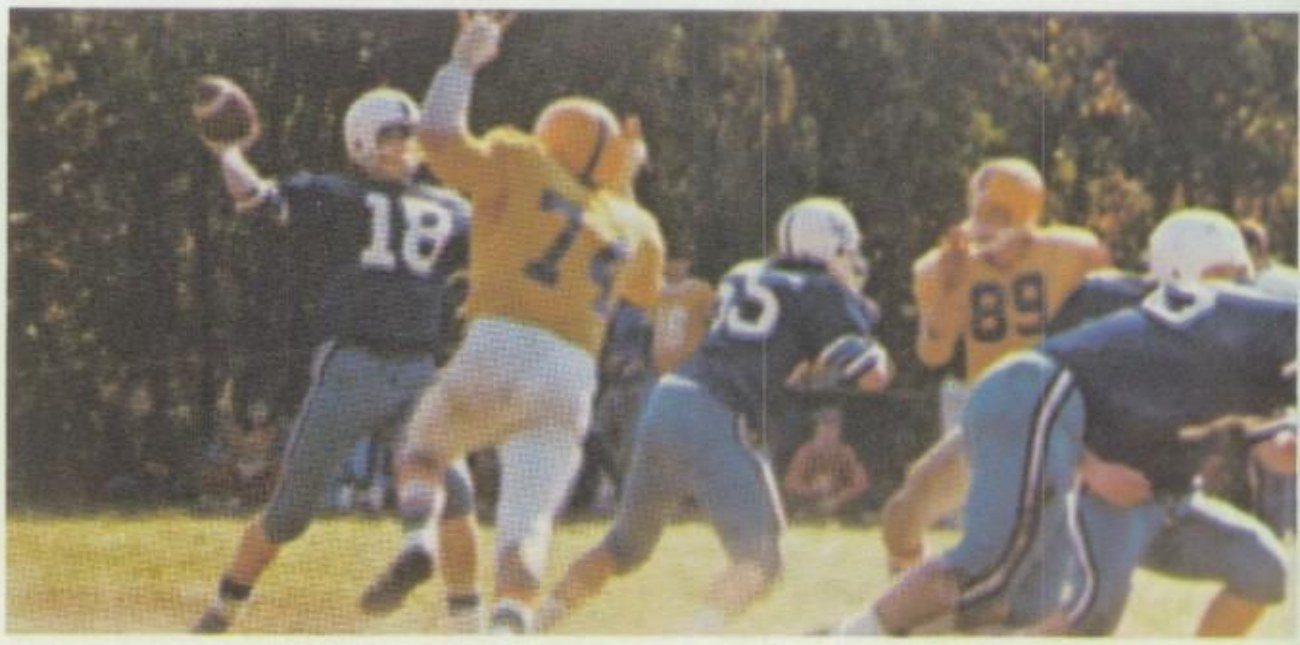
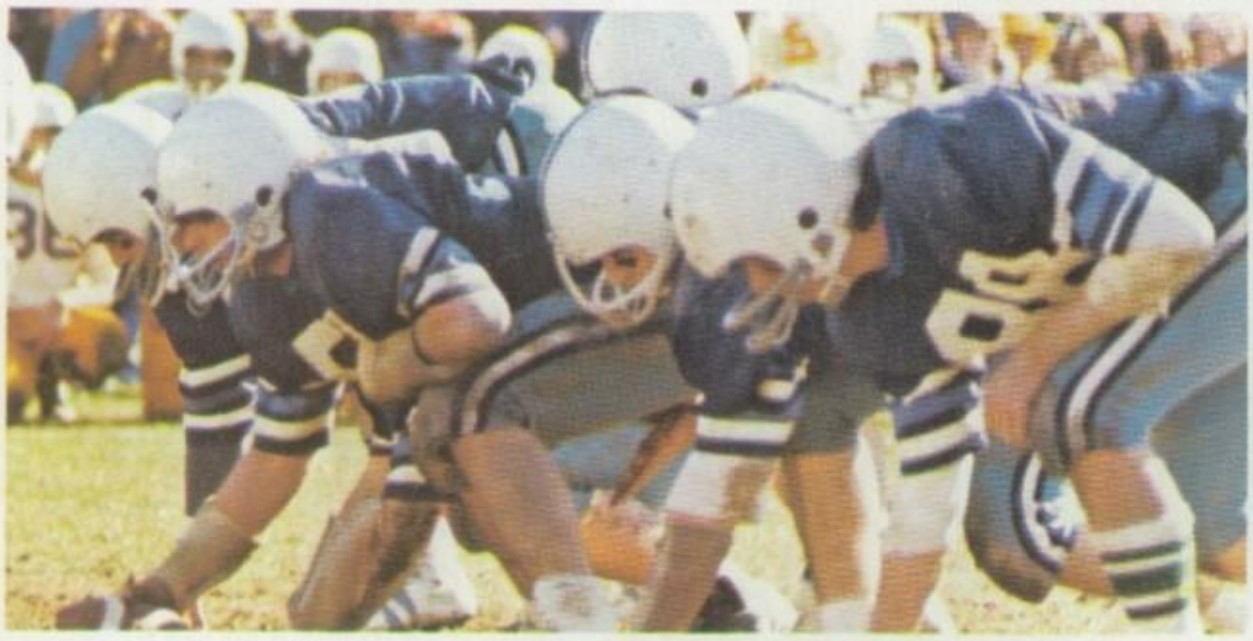
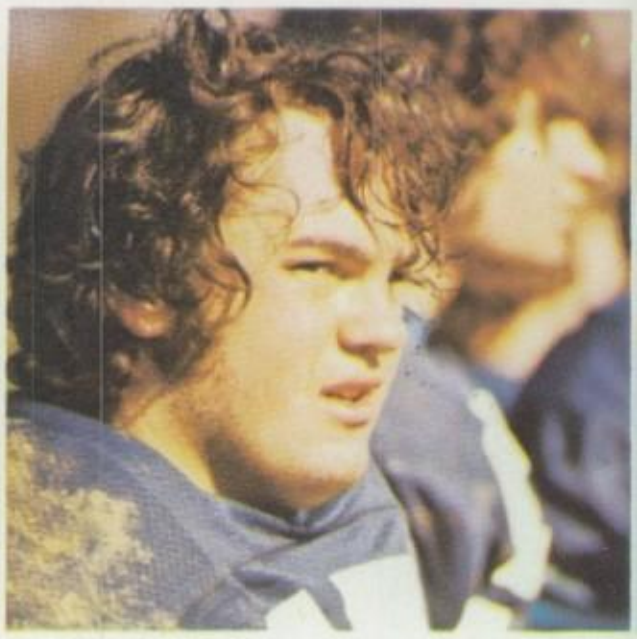
The Blue And White Power House









After their victorious games, the players walked off the field knowing their work was finished until next year. But for the Seniors, they would never return as one of the perfect Warriors.

If they had the chance to do it all again,

Would they? Could they?

On its first season, the wrestling team, although not oficially in a league yet, posted a record of three wins and three losses in dual-meet competition.

Several wrestlers did very well in their first season: Jim Baker won 9 of 11 matches, 8 by pins; Tim McCann won 6 of 8 with 2 pins; Jim Scrafford was 5-3-1 with 3 pins; Jim Rothermel was 4-4-1 with 2 pins; Phil Abel and Randy Harris were 4-5-0 each recording pins. Although heavyweight Joe Barber only had one match, he pinned his man.

Coach Heller has hopes that Lake George will soon have wrestling as an inter-scholastic sport.

If you think you are beaten, you are;
If you think you dare not, you don't;
If you'd like to win, but you think you
can't
It's almost a cinch you won't.
If you think you'll lose, you're lost,
For out in the world we find
Success begins with a fellow's will;
It's all in the state of mind.

To my grumbling Juniors:
Due to the fact that many of you were involved in other activities last night such as driving, sleeping, loafing, complaining about the general state of the world, etc., etc., - you may have until Thursday to complete your assignment. This is only out of the goodness of your loving teacher's heart and an overwhelming fear of his life!

Art Clubs

The Varsity Club has many activities during the school year. Initiating new members is a big event. Each initiate is assigned to a Varsity Club member, dressed up, and becomes a slave to all Varsity Club members for the entire week. They raise money for scholarships by selling candy and holding spaghetti dinners. They donated $1500 to the purchasing of the Universal Gym.
